Lot 39 - DURANT'S RESTAURANT AND GRGICH HILLS ESTATE

An experience for the true gourmet, the winner of this lavish affair will be treated to a five course dinner for six guests exclusively prepared by Chef Daniel Perez of the famed Durant's Restaurant in downtown Phoenix. Your gourmet experience will be paired with fine wines from the Durant's cellar, but tonight the winner of this lot will also take home a generous glass of Cabernet from a Durant's favorite. Grgich Hills Estate founder Miljenko "Mike" Grgich first gained international recognition at the celebrated "Paris Tasting" of 1976. Then, in a now-historic blind tasting, a panel of eminent French judges swirled, sniffed, and sipped away, ultimately deeming Mike's upstart Chardonnay from the Napa Valley the finest white in the world, beating out even the fabled white Burgundies of France.

Lot 40 - DUCKHORN

Duckhorn Wine Company and Paraduxx Winery are located in the center of the Napa Valley along the less traveled Silverado Trail. The Paraduxx estate is characterized by stunning architectural innovation, including a unique ten-sided fermentation building, which houses a contemporary winemaking facility. Paraduxx builds its wines on a foundation of Napa Valley style and the Zinfandel grape, giving way to a unique red with a personality all its own. Tonight, take home a double magnum of Duckhorn's Napa Valley Merlot, a Napa red that competes with the great Merlot-based wines of the right bank of Bordeaux, and let a tour and tasting at Paraduxx "make all the difference" on your next Napa trip along the Silverado Trail, Napa's own "road less traveled."
